

Component Unit Year-End Reporting Memorandum – FY 2008
Attachment CU14
GASBS No. 48, Sales and Pledges of Receivables and Future Revenues and
Intra-Entity Transfers of Assets and Future Revenues

Purpose

The purpose of **GASBS No. 48** is to provide reporting guidance in which a government receives or is entitled to resources in exchange for future cash flows generated by collecting specific receivables or specific future revenues to be reported as a collateralized borrowing resulting in a liability rather than as a sale unless the specific criteria for reporting as a sale are met [GASB-S48:5-18]. Also, this statement requires governments to report transfers or donations of capital assets or financial assets within a financial reporting entity at the carrying value at the time of transfer.
